

MT BARNEY LODGE

SCHOOL HOLIDAY ACTIVITY PROGRAM

APRIL 2020

[MTBARNEYLODGE.COM.AU](https://mtbarneylodge.com.au)

To book please phone [07 5544 3233](tel:0755443233) or email info@mtbarneylodge.com.au

ACTIVITY DESCRIPTION

BEGINNERS ROCK CLIMB (\$60PP, 10YO+)

For adventure-hungry kids wanting to test their limits, look no further than the Beginners Rock Climb. Under the guidance of an Outdoor Leader, this challenging activity will give participants the opportunity to develop their rock-climbing skills in a real-life scenario.

BEGINNERS ABSEIL (\$60PP, 13YO+)

Be excited and challenged at our elevated abseil site that has breathtaking views of the surrounding mountains.

LIGHT YOUR FIRE (\$20PP, 8-14YO)

Nothing says “camping” more than an authentic campfire! Mt Barney Lodge can teach kids the principles of making a good fire, using a variety of approaches and sourcing natural firestarters. With no petroleum products or chemicals from matches, you could call it eco-firelighting!

BUSHTUCKER TRACKER (\$20PP, 8-14YO)

Explore the wildlife tracks and corridors around Mt Barney Lodge in the Bushtucker Tracker activity these school holidays. Kids will head off-track into nature and learn how to look for signs of wildlife and what bushtucker foods are safe and tasty to eat.

STEALTH TRACKER (\$20PP, 8-14YO)

Learn the art of camouflage and how to move through the bush without a trace or sound in Mt Barney Lodge’s Stealth Tracker activity. Kids get to practise their stealth skills on the abundance of wildlife that roam through the campgrounds.

WILD PIZZA (\$30PP, 13-16YO)

This night time, interpretative and hands on activity allows teenagers to hang out with an older group of kids and construct their own camp oven pizza.

All activities can be explored in more detail at mtbarneylodge.com.au

KIDS NIGHT ADVENTURE (\$30PP, 5-14YO)

If star-gazing, damper making and wildlife spotting sound fun to you, then Mt Barney Lodge's Kids Night Adventure activity has you covered. The popular night adventure gives kids the opportunity to observe and explore nature at its busiest time of the day - dusk!

BUSH KIDS (\$20PP, 5-14YO)

You can't go wrong with an afternoon spent playing in the creek and the Bush Kids activity involves just this. With morning/afternoon tea included, kids will learn how to build eco-boats from natural materials found in the environment and race their constructions head-to-head.

CONSTRUCT A LANTERN (\$20PP, 5-13YO)

Children will be inspired by the environment around them and will make their very own lantern by using the recyclable materials around them. The lanterns can be used to brighten up campsites and can be taken home as a memento of their Mt Barney Lodge camping trip.

AUSSIE BUSH BUDDIES (\$10PP, ALL AGES)

Kids will have the opportunity to touch and interact with some of Australia's most intriguing native animals. You don't want to miss the chance to pat and learn about the quirky personalities of pythons, squirrel gliders, lizards and turtles.

MOONRISE ON MAROON (\$150PP, 15+)

Be guided to this 964m summit to watch the sunset over the Scenic Rim of mountains, and then the full moon rise. As the light fades we will also provide a hot meal and a cuppa. View the expansive scenery bathed in silver light, the glinting on nearby Lake Maroon, and the far distant lights of Brisbane. Fitness and a good sense of balance is essential.

IT'S KNOT SCHOOL! (\$20PP, 8-13YO)

A great school holiday activity – knot being at school! Learn useful knots that you can apply to your camping adventures and everyday life from our leaders, then put the new knots into practice building a survival bivvy using only rope and a tarp.

FAMILY CAMP OLYMPICS (FREE, ALL AGES)

The Olympics only comes around once every 4 years – but we aim to have the whole campground joining in fun family group games each week of these holidays! Entry is free, but the experiences will be priceless.

WEEK 1	ACTIVITY	TIME	AGE	COST
SATURDAY 4 APRIL	Light Your Fire!	2-3:30pm	8-14	\$20
	Kids Night Adventure	5-7:30pm	5-14	\$30
